

Yielders Referral Program

Welcome to the Yielders Referral Program. We are excited to bring you the opportunity to refer our product to your network and allow you to earn as you share! As you know, we have two slightly different products – our Top Yielder and Retail opportunities. We have outlined the specifics below to shed more light on how the referral process works, based on each type of investment. Our platform now includes functionality that provides you with your own personalised URL. This allows us to tag investments in order to assign commission to you. For this to occur correctly, your referee must sign up to our platform on the landing page accessed through the URL provided to you. If this does not occur, you will not receive the benefits as outlined below.

Retail Investments Referral

Our retail investment agreement works in bands of investment, as per the table below. These apply to any of our retail deals, in which investments start from as little as £100. 'Investment Referred' applies to an aggregate of initial investments made by new referred users. With regard to this agreement, only 1st investments made by referees can count towards a user's 'Investment Referred' total.

Commission Schedule

Investments Referred	Your Share of Investment	Example
£100 -£9999	0.75%	£8250 investment = £61.88 commission
£10,000	1%	£17,500 investment = £175 commission

Each 'band' of investment referred applies to the amount of investment that a user refers on a quarterly basis (e.g. Q1 -January 1st to March 31st). Commission is subsequently paid on the 1st day of the next quarter. The example is as follows: if you as a user refer a total of £8250 worth of initial investments within a quarter period, you are eligible for the 1% commission share.

Top Yelder (HNW) Referral

We will provide you with a staggered rate Fee upon a referred investor investing funds exceeding the deposit of £50,000 with one of our HNW investment opportunities (investments of £25,000 or more can qualify for this referral structure, subject to the approval of the Yielders Investment Committee). The Fee is calculated as a percentage of the Yielders fee generated through structuring and completing the exit on the deal and not the total amount invested. The share of the structuring fee is to be paid out upon full funding for a project. The profit share will be paid out on the sale of the property.

Top Yielder (HNW) Commission Schedule

Month Since Referral		Referral Rates incl. VAT as applied to Base	Example £100,000 investment in development deal Park Hotel
Start	End		Commission Projection
0	3	20%	Structuring Fee Share: 0.5% (£500) + Profit Share* 0.420% (£420) Total: 0.92% of investment = £920
3	6	10%	Structuring Fee: 0.25% (£250) + Profit Share* 0.21% (£210) Total 0.46% of investment = £460
6	7+	0%	No entitlement to fees

* For illustrative purposes only: profit share value based on selling the property at RICS valuation with 14% profit projection. Eventual commission total not guaranteed due to fluctuating nature of real estate market.

The Base:

- Structuring Fee: 2.5%
- Profit Share: 15%

For more information about the process please contact our Yielders Team on Team@Yielders.co.uk or on 0207 205 4650.
